

PawsomeCare

Digitizing the heart of pet parenting – happy pets, happy owners

THE PROBLEM

APP FATIGUE

FRAGILE DATA

FRAGMENTED CARE

EMERGENCY RISK

PERSONA

Rey Macaspac

21, Tech-savvy Nursing Student

GOALS

Digital HQ, proactive care reminders, instant record sharing.

PAIN POINTS

Lost physical booklets, app fatigue, fragmented medical history, manual tracking stress.

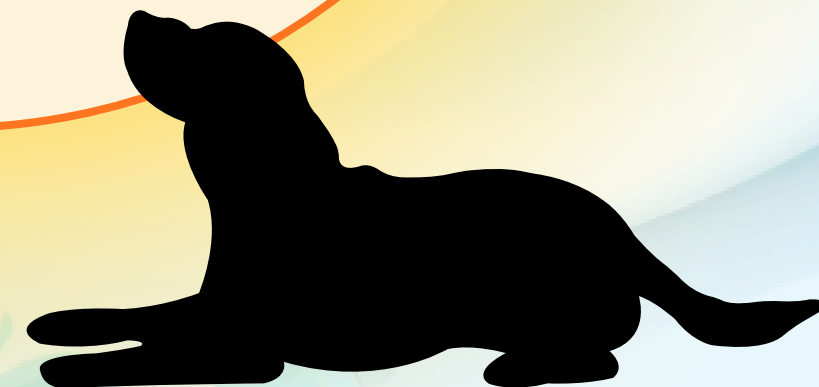

NEEDS

Secure cloud vault, unified pet ecosystem, vet approved service marketplace, mobile accessibility.

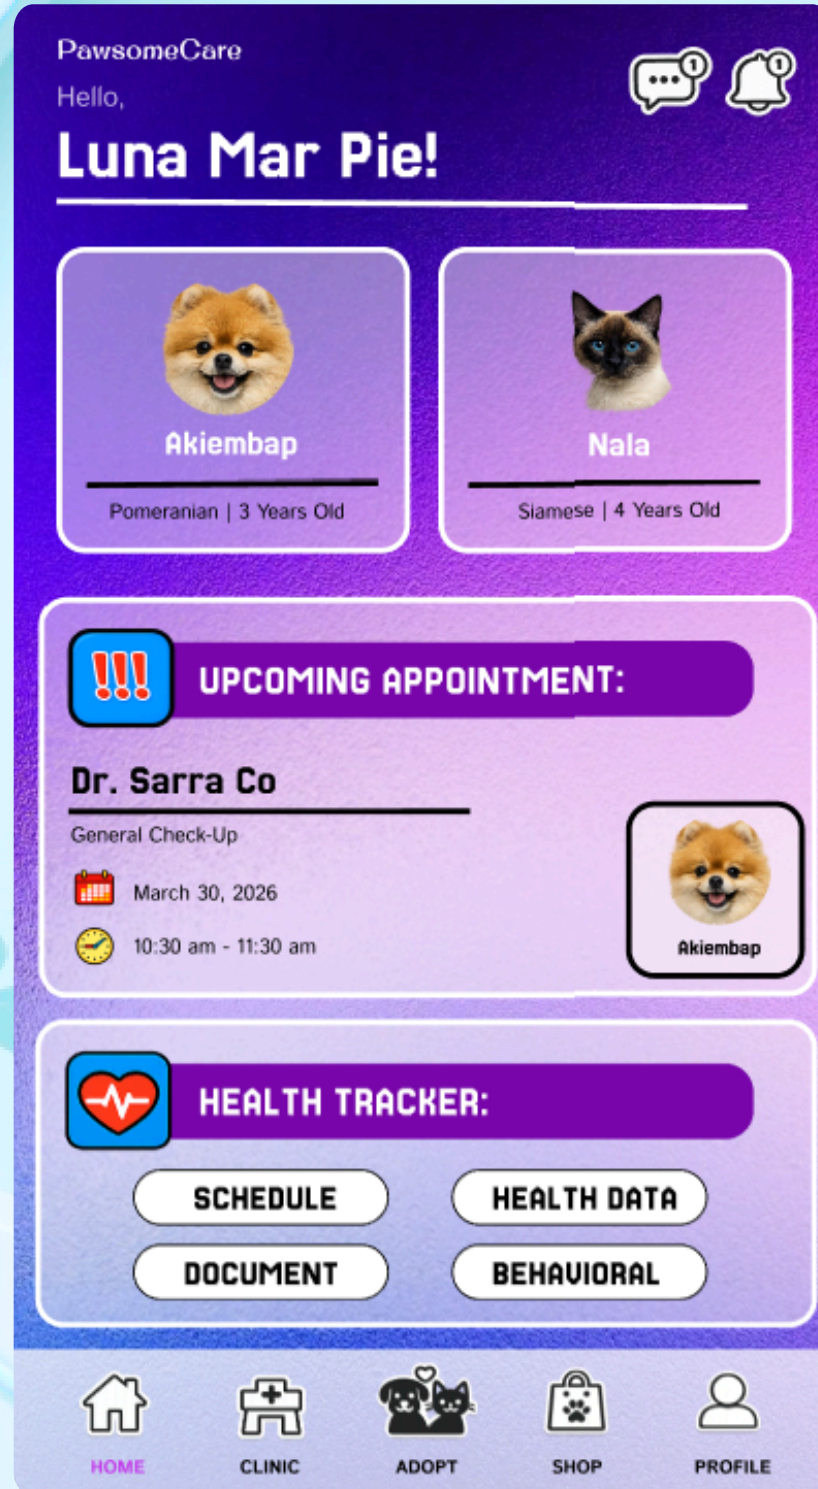

SOLUTION

An AI-powered app that centralizes digital passports, behavioral tracking, and a vet-approved marketplace into one platform.

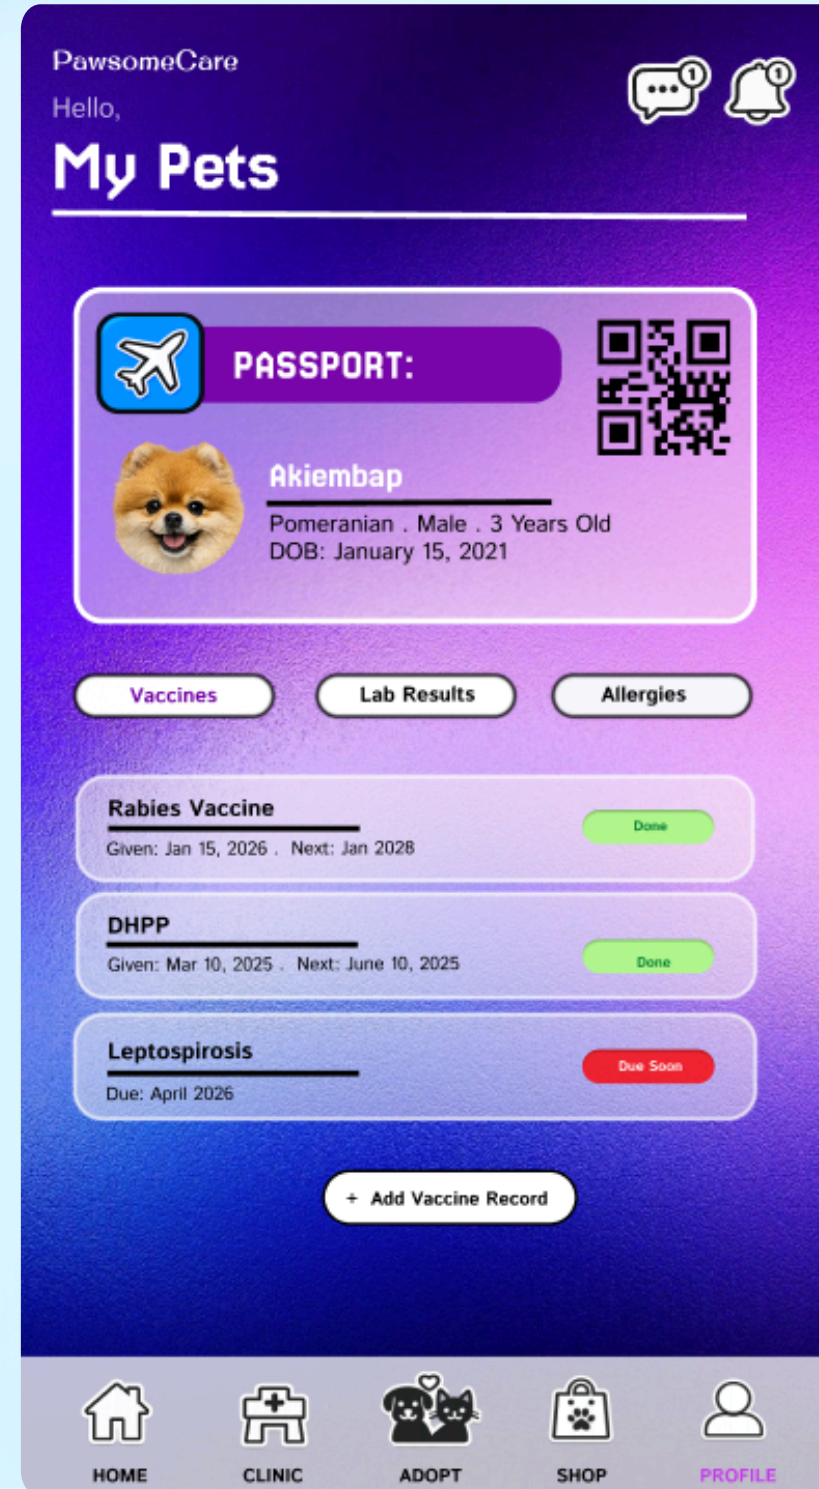

PRODUCT

Home Page

All-in-one health and activity dashboard.

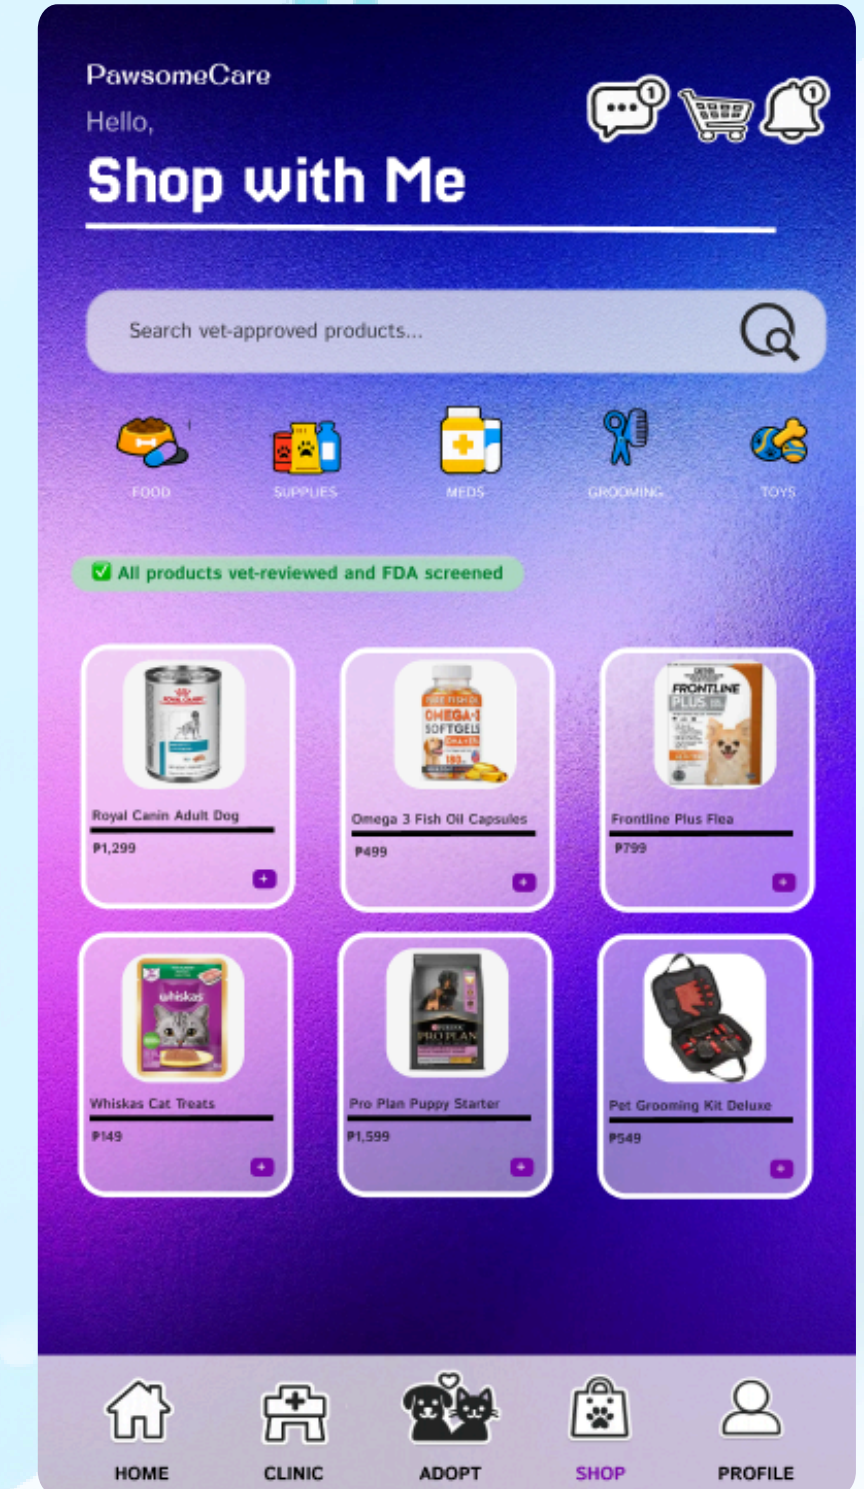

Digital QR Pet Passport

provides instant access to complete pet medical records.

Behavioral Tracker

analyzes pet activity and predicts potential health issues early.

Pet Marketplace

offers vet-approved products and services in one place.

MARKET OPPORTUNITY

TAM

₱51 Billion

SAM

₱5.1 Billion

SOM

₱153 Million

Total Philippine pet care spending

**Urban pet owners in high density cities
(Pasig/Mandaluyong)**

**Target 3% capture of the urban market via
clinic partnerships**

BUSINESS MODEL

B2C

B2B

B2G

Pet Parents

Pet Ecosystem

Public Sector

Fremium Model

Partnership

Digital Registry

Free: Basic
records & tracking

QR Passports: Activation
fees for clinics/groomers

LGU pet registration &
vaccination tracking

Premium: Ai insights
& cloud-based
medical vault

Marketplace: Commissions
on bookings & product sales.

Animal welfare data
management

COMPETITION ADVANTAGE

Features/ Parameters				
Medical Records Digitization	Yes	Yes	No	Yes
Behavioral Tracking	No	Yes	No	Yes
Marketplace Type	Yes	No	No	Yes
Pet Social Profile	No	No	Yes	Yes
Location Clinic Mapping	No	No	Yes	Yes

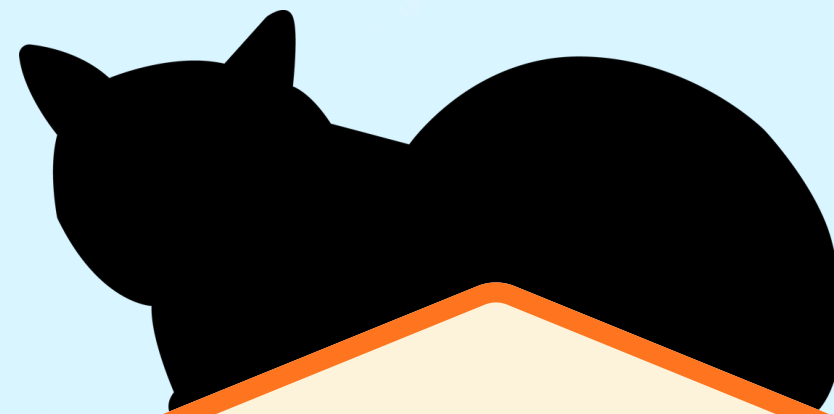

While others offer *fragmented tools*, **PawsomeCare** delivers a *unified platform*. We combine automated *behavioral tracking* with social connectivity to turn isolated data into a supportive community experience.

GO-TO-MARKET

Social Media launch targeting pet owners in Pasig and Mandaluyong, partnered with local 'pet-fluencers for community trust

Onboarding local vet clinics and pet retailers as referral partners using our unique QR-enabled medical passports.

Scaling across Metro Manila urban hubs like Cebu City through integration with LGU pet registration programs.
